

Please write a brief biographical sketch describing yourself and your goals. Describe how this award would help you reach those goals. Include work experience, school and non-school activities, membership in organizations, volunteer service, and any award(s) that you have received. Include your responsibilities for dependents in your care, financial need, and plans you have to finance your education. (Please attach an additional sheet if needed.)

## **Criteria**

### Eligibility

This scholarship award is available to any female from Carbon County

- accepted for admission to a higher education university, college or school
- part-time (6 hours minimum) or full-time degree-seeking student for semester of application
- grade point average of 2.5

### Application Procedure

Before the deadline date, an eligible student must submit

- a correctly completed, signed and dated application
- a complete biographical sketch
- a copy of the acceptance letter or certificate from the university, college or school.
- two letters of recommendation  
 letters must have been written within the current school year (i.e. 2011-2012)  
 letters must be from employers (past or present), clergy, friends, etc. Do not solicit  
 letters from family members.

### Award Amount:

The award amount is \$750 for the 2011-2012 school year. A check for \$375 for each semester – fall, spring **or** summer – will be awarded. \*

### Selection Process

Selection will be based upon scholastic ability, demonstration of need, educational goal, and adherence to application instruction.

### \* Restrictions

A transcript to corroborate a minimum of six hours enrollment and a grade point average of at least 2.5 for the semester just ended must be received before the remainder of the current scholarship award may be distributed. Please forward the transcript to the same address as the scholarship application was submitted.
