The garden is a community space and each member is responsible for a portion of its upkeep. A spring orientation and fall cleanup are required for each member. Garden chores (i.e. garbage pickup, maintaining compost, & watering perennial bed, etc.) will be shared throughout the season, and each member will agree to one chore for one month in total.

The garden steering committee members have the duty to enforce rules and make decisions. I understand that failure to comply with rules and requirements, or failure to follow through with my garden responsibilities will result in the cancellation of my membership and/or the reassignment of my plot without refund of fees. I also understand that failure to comply by any person assisting me in my plot will also result in such actions. I understand that neither the RCG, nor the land owners are responsible for my actions. I understand I am gardening at my own risk. Therefore, I agree to hold harmless the Rawlins Community Garden or its members, University of Wyoming Extension, Carbon County Higher Education Center and the Wyoming Frontier Prison for any liability, damage, loss, or claim that occurs in connection with the use of the garden by me or any of my guests.

I grant permission for photographing of my plot for publicity or educational purposes.

I have read and understood these application rules and agree to comply with them.
